

DIVYA BANUKA

Jagtial, Telangana, India | divyabanuka3@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Enthusiastic B.Tech student specializing in Artificial Intelligence & Machine Learning with a strong foundation in programming, web development, SQL, and database concepts. Hands-on experience building responsive applications using React and TypeScript, with additional learning in Generative AI and Prompt Engineering. Eager to contribute to real-world software projects while continuously strengthening technical and problem-solving skills.

EDUCATION

Kakatiya Institute of Technology and Science for Women
B.Tech – Artificial Intelligence & Machine Learning | Expected 2028
CGPA: 8.47

Intermediate – MPC: 96.2%
10th Standard: 9.2 CGPA

TECHNICAL SKILLS

- **Programming:** C, Python, JavaScript
- **Web Development:** HTML5, CSS3, React.js, TypeScript, Vite, Responsive Web Design
- **Database:** SQL, DBMS, Relational Databases
- **Developer Tools:** Git, GitHub, Replit, VS Code
- **Computer Science:** Data Structures & Algorithms, Object-Oriented Programming, Database Management
- **AI & ML:** Artificial Intelligence, Machine Learning Fundamentals, Generative AI, Prompt Engineering
- **Professional:** Problem Solving, Debugging, Teamwork, Communication, Adaptability, Continuous Learning

PROJECTS

CampusDesk – Student Management Portal | React, TypeScript, HTML, CSS, Vite

- Built a responsive web application for managing student records through a clean, professional interface.
- Implemented add, view, search, edit, delete, and clear-record functionality for student information.
- Published the application online and maintained the complete project source code on GitHub.
- Live Demo: student-management-system--divyabanuka.replit.app | Repository: GitHub

Robotic Arm

- Developed as a practical project, gaining exposure to robotics concepts, mechanical movement, and project-based problem solving.

CERTIFICATIONS & ACHIEVEMENTS

- SQL and Relational Databases 101 (DB0101EN) — IBM Skills Network / Cognitive Class
- Prompt Engineering for Everyone (AI0117EN) — IBM Skills Network / Cognitive Class
- AWS Student Builder Group – Outstanding Achievement — AWS Student Builder Groups

CAREER INTERESTS

Software Development | Full-Stack Development | Artificial Intelligence & Machine Learning | Cloud Computing | Database Technologies

PROFESSIONAL STRENGTHS

Quick Learner • Analytical Thinking • Problem Solving • Team Collaboration • Adaptability • Project-Oriented Learning
